

Partnering with SALUS Protect

The Smart Choice for Security Installers

Safe, Smart, SALUS Protect

Comprehensive Support

At SALUS Protect, we understand that your success is our success. That's why we provide comprehensive support tailored to meet your needs:

Technical Expertise

Our team of experienced professionals is available to assist with any technical challenges, ensuring smooth installations and maintenance.

Training Programs

Stay ahead of the curve with our in-depth training sessions, designed to keep you updated on the latest security technologies and best practices.

Customer Service

Enjoy peace of mind with our dedicated customer support team, available to address any issues and answer your questions promptly.

Marketing Support

Boost your business with our comprehensive marketing support:

Branding Materials

As a partner you will have access to a range of professionally designed marketing materials, including brochures, flyers, and online content, to promote your services effectively. Our marketing team will provide bespoke solutions and support you to help your business fly.

Co-Branding Opportunities

Enhance your credibility and reach by co-branding with SALUS Protect, showcasing our partnership to potential clients.

Lead Generation

Take advantage of our lead generation expertise, designed to connect you with prospective clients actively seeking security solutions. As SALUS Protect does not sell directly to customers, we are able to recommend our partners for installation projects up and down the UK.

Exclusive Benefits

Working with SALUS Protect comes with exclusive benefits that provide real value:

Competitive Pricing:

Benefit from competitive pricing on our entire product range, helping you maximise your profitability.

Priority Shipping

Enjoy expedited shipping on all orders, ensuring you have the equipment you need, when you need it.

Do not have the space to store the systems? We have a large distribution warehouse in Yorkshire that can hold your stock until you need it.

Additional Revenue

Our 24/7 remote monitoring service provides additional revenue to partners and is supported by an NSI Gold Accredited Alarm Receiving Centre ARC.

Let's Work Together

At SALUS Protect, we are committed to fostering long-term relationships with our partners. Our goal is to provide you with the tools and support you need to excel in the security industry. By choosing us, you're not just getting a supplier – you're gaining a strategic partner dedicated to helping your business grow.
